

Foxton Primary Newsletter

6th September 2024

Week 1

Welcome back to school and a warm welcome to all the new families who have joined us this week. I hope everyone has had a wonderful summer break and looking forward to the new term ahead. It has been lovely to hear the children chattering about their adventures and seeing how hard they are already working and applying themselves to their learning.

Foxton Village Show - 7th September 2024

On Saturday it is the Foxton Village Show; held in the Village Hall between 2 - 4:30pm. If children would like to enter the craft competitions at the show - there are different categories in which they can enter. The children can enter a piece of art with an Olympic or Sports theme, a fruit or vegetable animal, nature collage or a flower display. Children need to write their name, age and contact details on the back of their entry and take their entry to the Village Hall between 9 - 11am, where they will be collected and organised for display.

Class Names

Following the restructuring of classes, we have now decided on the names of our classes. Ms d'Heudieres' Class (Rec, Yr1, Yr2) are the Hedgehog Class, Mrs Brooks/Mrs Smith's Class (Yr3, Yr4) are the Badgers Class and Mr Marshall's class (Yr5, Yr6) are the Owl Class. The children have been drawing some wonderful pictures this week relating to their class which we will be displaying around the school.

Music Lessons

Is your child interested in learning an instrument? We have a very experienced music teacher who comes into school on a Tuesday morning and teaches a range of instruments - piano, flute, clarinet and saxophone. Children who learn an instrument are invited to perform at Celebration Assemblies during the year to celebrate their musical abilities. Children also celebrate their achievements in assembly, if they have completed a grade on their instrument. If you would like to learn more about the lessons, please contact Jess Roberts via email:

PinPoint Parents Coffee Morning - 2nd October 2024

The second coffee morning is being held for parents to attend on 2nd October 2024 at 9am. This is the PinPoint Project being run between schools and PinPoint to support parents of neurodiverse children. The first coffee morning held last term was incredibly popular and it would be lovely to welcome as many parents as possible if you are able to attend. Philippa Waller will again be leading the session.

Janet Muir

Happy Birthday

Birthdays:

Michael in Owl Class is 10 years old

Millie in Hedgehog Class is 6 years old and Atlas in Hedgehogs Class is 7 years old

Mabel in Badgers Class is 8 years old
