## **A FRIEND LIKE YOU**

I'm glad...to have...a friend like you. Buttons, I know it's true – You're there for me.  
I'm here...and we're...a funny pair.  
Cinders, you know I care about you.

I remember when you first became my friend, We'd dream of who we'd like to be.  
Many were the days we played our games of make-...be-...lieve.  
You would be the cowboy racing down the railroad,  
Off to set a poor girl free!  
We'd both ride off together in the sunset, You and me!

I'm glad...to have...a friend like you. Buttons, I know it's true – You're there for me.  
I'm here...and we're...a funny pair.  
Cinders, you know I care about you.  
You're the dashing prince, got turned into a frog – An evil act of sorcery.  
You're the lucky girl who plants a kiss upon...my..cheek!  
I would be the princess locked up in a castle,  
Nobody to rescue me.  
I would be your knight in shining armour, You'd go free!

I'm glad...to have...a friend like you. Buttons, I know it's true – You're there for me.  
I'm here...and we're...a funny pair.  
Cinders, you know I care about you.

I'm glad...to have...a friend like you.  
Buttons, I/Cinders, you know it's true – You're there for me.  
I'm here...and we're...a funny pair.  
Buttons, I/Cinders, you know I care about you.  
Buttons, I/Cinders, you know I care about you.

**IT'S NOT ALL IT'S CRACKED UP TO BE** Oh, it's NOT all it's cracked up to be!

I've lived a life of fame and celebrity.

I've had my name in lights, Done concerts every night, And it's not all it's cracked up to be!

Oh, it's NOT all it's cracked up to be!

He's lived a life of fame and celebrity.

He's had his name in lights,

Done concerts every night,

And it's not all it's cracked up to be!

I've headlined every continent,

I've toured around the world,

From Sydney to New York and back...a-...gain.

I've had my share of compliments From screaming crowds of girls,

But stardom isn't everything they'd say.

Oh, it's NOT all it's cracked up to be!...

I took you from obscurity,

I made you what you are.

It's thanks to me that you're a household name.

I've given you security,

The chauffeur and the car. I can't believe you'd throw it all away!

Oh, it's NOT all it's cracked up to be!...

I can't believe you'd throw it all away!

Maybe you need to take a holiday.

You're just a little stressed,

So get yourself a rest. Come to your senses and we'll talk again!

Oh, it's NOT all it's cracked up to be!...

The lifestyle of a megastar Has lost its gloss for me.

I'm ready to discard my dancing shoes.

If you give up on your guitar,

You have my guarantee, Within a week I'll find somebody new!

Oh, it's NOT all it's cracked up to be!

I can't believe you'd throw it all away!

He's lived a life of fame and celebrity.

Maybe you need to take a holiday.

He's had his name in lights,

You're just a little stressed,

Done concerts every night,

So get yourself a rest.

And it's not all it's cracked up to be!

Come to the senses and we'll talk again!

## **I'M SO IN LOVE WITH ME**

How could anybody think we're sisters?  
It's a total mystery to me! My dainty feet!  
My rosy cheeks!  
How could any poor old man resist us?!  
Maybe I should try a brighter lipstick?  
Maybe add a tub of wrinkle cream!  
I'm on a quest to find my 'Mister', I'm so in love with me!

Would you say my bottom looks enormous?  
Should I try a brighter shade of green? I can't decide!  
Take my advice,  
Close your eyes and say, "I'm looking gorgeous!"  
Blow a kiss in front of all the cameras, We'll be everything they want to see!  
Fellas will all be looking for us, I'm so in love with me!

Sing a song of 'Happy Ever After',  
Sing a song of 'Will You Marry Me?'  
Whisked off my feet,  
Held cheek to cheek, Honeymoon in sunny Costa Brava!  
See me rubbing shoulders with the film stars,  
See my face in 'Hello' magazine.  
Time to move over, Dolly Parton, I'm so in love with me!

One day I'll be Mrs Rockerfella, One day you'll be married in your dreams!  
I'll be the bride!  
I'd be surprised!  
Hand-in-hand we'll walk the aisle together.  
Think of Fred Astaire and Ginger Rogers, More like Tweedle-Dum and Tweedle-Dee!  
Don't I deserve a little pleasure? I'm so in love with,  
I'm so in love with,  
I'm so in love with me!  
WITH ME!

## **YOU'RE GOING TO THE BALL**

Don't you worry, Cinderella, I have come to make things better! Leave your chores and dirty dishes, I am here to grant your wishes!

Here's a touch of magic just to help us on our way, Sprinkled with a flourish and a twirl!  
Spread a little stardust, Find some special words to say,  
And soon we'll have a very different girl!

You're going to the ball!  
You're going to see it all!  
You're going to have the time of your life...this...evening!  
You're in for a surprise,  
They won't believe their eyes, But let me tell you now that you won't...be...dreaming!

Let me tell you Cinderella, I'll find you the perfect fella!  
Just when you thought life was over, Hello limo! Goodbye sofa!  
Here's a touch of magic just to help us on our way, Sprinkled with a flourish and a twirl!

But let me tell you now that you won't...be...dreaming!

Listen to me, Cinderella,  
There's one thing you must remember,  
All my spells will lose their power When you hear that midnight hour.

You're going to the ball! You look so beautiful! You're going to see it all! You're just incredible!  
You're going to have the time of your life...this...evening!  
The mirror on the wall says you're the best! You're in for a surprise, You look so beautiful! They won't believe their eyes, You're just incredible!  
But let me tell you now that you won't...be...dreaming!

## **IF I HAD ONE WISH**

In fairy tales and picture books  
There's a love that has to be won  
The dragon's slayed and a girl is saved, And a happier life begun.

A charming prince goes and falls in love  
With the special girl of his dreams If I could find who the slipper fits, I would ask her to marry me!

Everything was oh so perfect, All the world was mine!  
She was there in my arms  
And she smiled as we danced, And the earth stood still in time.  
He was all I could see,  
We were lost in a dream  
'Til I heard the midnight chime.  
Now here I am on my own again, Wishing you could be here tonight.

If I had one wish,  
I'd wish my dreams came true, If I had one dream,  
My only dream would be of you.  
If I had one wish,  
I'd wish my dreams came true,  
If I had one dream,  
My only dream would be of you.  
Everything was oh so perfect, All the world was mine!  
She was there in my arms  
And she smiled as we danced, And the earth stood still in time.

## **HAPPY EVER AFTERS**

Happy-ever-afters don't come easily, There are many chapters but no guarantees.  
Many pages have to be turned before the tale is told  
And the story takes you away from where you want to go.

Cinderella!...Rockerfella!...got together.... Cinderella and her fella got together.  
Cinderella!...Rockerfella!...got together....  
Cinderella and her fella got together.

Happy-ever-afters don't come easily, None of us are writers of our destiny.  
But the story has its own happiness to be pursued,  
Every dream that somebody dares to follow can come true!

Cinderella!...Rockerfella!...got together.... Cinderella and her fella got together.  
Cinderella!...Rockerfella!...got together....  
Cinderella and her fella got together.

There's a world that hides itself in fairytales  
And it's not so different from the one we know, 'Cause the story's full of adventure to be lived  
and breathed And I'm sure that anything's possible when you believe!

Cinderella!...Rockerfella!...got together.... Cinderella and her fella got together.  
Cinderella!...Rockerfella!...got together....  
Cinderella and her fella got together.

Happy ever after, Our story ends.  
Happy ever after,  
Our story comes to a very happy end!

Cinderella!...Rockerfella!...got together.... Happy ever after, Cinderella and her fella got together.  
Our story ends. Cinderella!...Rockerfella!...got together.... Happy ever after, Cinderella and her fella  
got together.  
Our story comes to a very happy end!

Happy ever after, our story comes to a very happy end!
