

Foxton Primary Newsletter

8th September 2023

Week 1

The first week has started and the children have returned to school refreshed and ready to work after their summer break. It has been lovely hearing what the children have been busy doing with their families during the holiday. I would like to welcome our new reception children and their families to Foxton, as well as Penny, Theo, Alex and Josh who have joined us in Classes 4, 3 and 2 - I hope you have all enjoyed your first week at Foxton!

The weather has certainly been beautiful for our return to school and the children have all enjoyed using the sprinkler to cool off during the afternoon! Many thanks to Mr and Mrs Heywood who donated the sprinkler for our use last term (but unfortunately the weather wasn't warm enough for us to enjoy it!).

Foxton Village Show - Saturday 8th September

On Saturday, the Village Show is on at Foxton Village Hall. There are a number of Children's Craft competitions which we have been discussing in assembly this week: decorating a pebble; making a miniature garden; flower arrangement and making an animal from vegetables and/or fruit. Entries must be taken to the hall between 9 and 11am. The show opens from 2 - 4:30pm - I look forward to seeing lots of Foxton children there!

Village News

On Monday 11th September, work will begin on the installation of new play and social facilities on Foxton Village Recreation Ground. Work is expected to last for 5 weeks. The children at school are all very excited about this and the improvements to the playground. Whilst the contractors are setting up their compound - the Church carpark will be closed between 2pm on Sunday until 5pm on Monday afternoon. Please see the email sent earlier with further details of this new development.

Scarecrow Festival

Keep the 7th October free! The Scarecrow Festival that runs every other year is arranged for the 7th October. More details to follow in the coming weeks.

August Achievement Letter

Please send in any achievements outside of school for the August Achievement Letter!

Janet Muir
