

Foxton Primary Newsletter

15th September 2023

Week 2

On Monday and Tuesday, a group of children from Class 4 were working incredibly hard during their Bikeability training. They learnt about road signs, rules and how to cycle safely on the local roads - you may have seen them out and about! On Thursday the children met their new Buddy groups during assembly and shared news about themselves and their summer break.

Curriculum Meeting for Parents - 18/09/23

Don't forget our Curriculum Meeting for parents on Monday. You are welcome to join the teachers in their classrooms to find out more about the curriculum your children will be learning during the term, PE days, the timetable and the expectations in the class. It will be an opportunity to meet your child/ren's teacher. Times are as follows: Class 1 - 3:30pm, Class 2 - 4pm, Class 3 - 4:30pm, Class 4 - 5pm

Foxton Village Show

I really enjoyed my visit to Foxton Village Show on Saturday, where I had been invited to present the prizes for the children's entries and also the trophies for the wide range of categories including produce, flower arrangements, potted plants, paintings, embroidery and many, many more. I was very impressed with the children's entries for their painted pebbles, miniature gardens, flowers in a jar and animals made from fruit and/or vegetables and particularly impressed with the entries from the children of Foxton Primary - well done for your wonderful creations!

Cambridge Standing Tall project

The time has come for us to collect our Mini G Giraffe! In the next week, we will be picking up our Mini G and then during October we will be designing and decorating our Mini G! In December our Mini G will be photographed ready for the trail and then between the months of March to June, our Mini G will be displayed on the trail in the city of Cambridge! In June, Mini G will be returned to Foxton Primary School for us to continue to display!

Exciting News!

Mrs Fenske returned to school this term with some exciting news - she and her husband are expecting their first baby in the new year. Mrs Fenske will continue teaching Class 3 during the Autumn term until her maternity leave starts in the new year. I am sure you will all want to join us in celebrating this wonderful news.

Scarecrow Festival

On Wednesday, we are looking forward to hearing more about the Scarecrow Festival when Mrs Watkis is joining us in assembly to tell us all about it. Keep the 7th October free for the Scarecrow Festival!

Instrumental Lessons

Our instrumental teacher, who visits weekly and teaches: piano, flute, clarinet or saxophone has a few spaces left: if your child is interested in learning an instrument please contact Jess Roberts for more information: beescottage@mac.com

Janet Muir

Happy Birthday

This week: Caterina in Class 1 will be 5 and Florence S in Class 3 will be 9 years old.

Happy Birthday from all at Foxton School!
