Week 6

This week has been incredibly busy, at the start of the week two groups of children from Class 4 took part in the Netball tournament at Melbourn VC. They played well and both Mrs Brooks and Mrs McDonald were proud of the way they played as a team, showing great Sportsmanship. They looked very smart in the new Foxton Team Kits. On Thursday, Class 1 and Class 2 visited the Church and were shown around by Rev David as part of their RE topic. We are pleased to share the appointment of Mr Marshall who will be teaching Class 4 in January 2024.

Last Saturday saw the fantastic Scarecrow Festival taking place in Foxton. Mrs Brooks was pleased to be invited to present the winning scarecrows alongside Rev David. Mrs Brooks was so impressed with the wide variety of Scarecrows on display and said our Scarecrows looked wonderful in the Village Hall. The children's superb creations can now be viewed in the entrance to school - please come and have a look! Thank you to Mrs Watkis for organising a treat for the children for their contributions to the festival.

Harvest Festival

On Thursday 19th October at 9:30am, Rev Angela is joining us to lead us in our Harvest Festival. Please can you bring food donations to celebrate this occasion; they will be displayed during the assembly. Linda Smith, from Home Start will also be joining us to explain to the children how the donations will be shared. You are welcome to join us for this assembly as each class will be sharing a poem, song or story.

Friends of Foxton

Class Representatives for Friends have now been confirmed as: Class 1 Beth Kewley; Class 2 Lucy Dobson; Class 3 Frances Spalding and Class 4 Verity Smith. If you would like to join the WhatsApp groups please catch them on the playground and pass your numbers to them - thank you. The next informal meeting about upcoming events and to start organising the Christmas Fayre is on Thursday 2nd November at 2:45pm, please join us if at all possible.

Cars outside school.

Please turn off car engines when your car is stationary at drop off and pick up times as they are causing unnecessary fumes which our children are then breathing in as they walk past. Many thanks for your cooperation regarding this matter. Thank you.
