Week 3

Thank you to those who were able to attend the Curriculum Meeting on Monday, where the teachers were explaining more about the curriculum for the year ahead and the timetable for the term. If you were unable to attend, teachers are adding their power points to the class pages on the website. Many thanks to Mrs Watkis who came in to talk to the children on Wednesday about the Scarecrow Festival on Saturday 7th October. The children will be busy making their scarecrows during the next few weeks, ready to display them in the Village Hall as part of the Festival.

Who can guess what is hidden underneath the bubble wrap?!

Friends of Foxton

Friends of Foxton are a group of family, friends and staff, who support the school in many different ways, organising events and raising money to support the children in Foxton Primary School. They are meeting on **3rd October at 6pm** - this will be in person, but we will also send out a link for parents who are unable to attend in person to join the meeting online. More information to follow next week - we hope you are able to attend.

Christmas Cards!

Although we are only in September, we are already thinking about Christmas! In order to complete our Christmas cards and gifts, the children will be creating their designs and when these are complete there will be a new online ordering system this year. More information to follow!
