8th December 2023

Week 13

This week we invited both Reverend Angela and GenR8 into school to lead assemblies as we look forward to Christmas. As mentioned in an email earlier in the week - Rev Angela is retiring at Christmas and we would like to thank Rev Angela for all her visits to Foxton Primary School and for ensuring our children, staff and parents feel so welcome at St Laurence's Church. If you would like to contribute towards a gift, please drop your donation to the school office by Monday 11th December so we can present her with a gift at the Nativity on Wednesday.

On Tuesday we said goodbye to Foxy G as he/she headed their way to the next stage of their journey - having a plaque installed, being photographed and organised for the **Standing Tall Trail in Cambridge**. When we have further details about the trail we will let you know!

Santa Dash— Friday 8th December

This morning we had a Santa dash around the playgrounds. The children were grouped into their Buddy groups and the year 6 children were paired with their reading partners. They all had lots of fun running around the playground, luckily for us, the sun was shining!

Christmas Fayre - Thursday 14th December 2023

The children all looked wonderful in their Christmas Jumpers today - thank you for all your kind donations for the Christmas Fayre Tombola. We are still collecting for the **'Christmas Hamper'** and **'Nearly New Toy Stall.'**

We still require additional support on Tuesday at 9am to organise the tombola and nearly new sale - if you can help please let either myself or Anita know - thank you.

We also require additional volunteers to help on the day - without additional volunteers, it will be difficult to run all the stalls - please sign up to the online platform to help at the Christmas Fayre. We are particularly looking for volunteers who can help on the tombola stalls <https://volunteersignup.org/M8B94>
