8th March 2024

Week 9

What a wonderful week! We have been so busy with many enjoyable activities.

On Monday we welcomed Rev David who led us in our assembly, focusing on Lent and we also welcomed Miss Lewis into Class 1. Miss Lewis says she has had a lovely week getting to know the children; they have all made her feel so welcome. Tuesday saw 2 teams taking part in a Quicksticks Hockey event at Wilberforce Road - congratulations to both teams as they represented Foxton Primary School so well.

All the children were very active as they enjoyed their Dance Workshops on Wednesday, led by Mrs Watkis from the Lanes Academy. During the workshops she spoke about how different music can make you feel and how music and keeping active can support our health and wellbeing. On World Book Day, the children (and staff!) all looked so fantastic dressed up as their favourite characters.

Today, we welcomed Dr Jo to start off our Science Activities to celebrate British Science Week and the Cambridge Science Festival. During assembly she spoke about the brain and we all had a go at different challenges. Each class completed workshops - Class 1 and 2 - looked at 'Fizzling Potions'; Class 3 focused on 'Chromatography' and Class 4 investigated and dissected owl pellets! This event was fully funded by Friends of Foxton School (FOFS).

As mentioned last week, Friends are in need of a Chair person or they will not be able to continue. If you feel you would like to find out more about this roll, please contact your Class Representative, or Mrs Armitage in the school office: office@foxton.cambs.sch.uk. The next meeting for Friends is on **Tuesday 12th March, at 6pm**. This meeting will be online - the link will be sent out on Monday. Please do join us!

On **Monday 18th March**, children will be invited to dress up with a science focus - this could be clothing with flowers, planets, dinosaurs or anything scientific! Children can make their own if they would like!

Parental Consultation Meetings

Please remember to book up for Parental Consultation Meetings, next week.

Janet Muir

Happy Birthday

This week: No birthdays at Foxton Primary School. If you know anyone who has a birthday this week -

HAPPY BIRTHDAY from all at Foxton!

Chat time:

During Buddy Assembly this week, we completed an activity about the staff and their favourite books - see if you can remember the favourite books of all the different staff at Foxton Primary School! Tell your friends and families.
