Weeks 1 & 2

Welcome back to all our families, I hope you all had a wonderful festive season. The children have come back energised and working hard. On our return, we were so pleased to have had the Interactive boards installed in Class 3 and Class 4. Both classes have benefitted hugely from these as the boards are clear and so useful for teaching and learning. A huge thank you to the Friends of Foxton (FOFS) for raising the money in order to enable this to happen.

We welcomed Mr Marshall last week - our new teacher who is teaching Class 4 and Mrs Head who is teaching Class 3 on a Monday and Class 2 on a Friday. The children have been making them both feel at home at Foxton. Class 3 welcomed Mrs Smith who is teaching the class whilst Mrs Fenske is on maternity leave and Mrs Brooks has returned to Class 2.

In Class 2 this week, myself and Mrs McDonald were invited to go and view the children's creations. They had borrowed some masking tape from Mrs McDonald, worked in groups and created some enormous ichthyosaurs! I'm sure you'll agree - the children worked very hard and they look wonderful!

Achievement Letter January 2024

Please start sending in any achievements the children have had outside school for the January Achievement Letter - this will also include the December achievements as well. Thank you.
