

Foxton Primary Newsletter

16th February 2024

Week 7

I start the newsletter this week, with some WONDERFUL news - Mrs Fenske has had a beautiful baby girl, named Eden Grace, weighing 7lb and 7 oz. Mother and baby are doing well and the family are settling into their new life. We look forward to meeting Eden after half term.

This week has been a busy week with children finishing off their topics for this half term. Class 3 have been making their own string telephones to explore further how the sound of a voice travels as vibrations along the string to the listening cup. The children were amazed by how much louder their voices were travelling along the string compared to just travelling through the air!

Today we have practised an Invacuation, which the children are now very confident to carry out - please talk to your children about it! This afternoon - Class 3 and 4 practised for real, when a helicopter actually landed in a nearby field! Well done to all the children for behaving so sensibly!

After half term, Miss Lewis (PGCE student) will be joining Foxton and working in Class 1, we look forward to welcoming her to Foxton.

Meeting for Class 4 parents

Thank you to all the parents who were able to attend the meeting with Mr Marshall and myself on Monday. The Year 6 SATs presentation will be available to view on the website for those unable to attend.

DISCO - Friday 16th February 5 - 6:30pm

We are looking forward to the D.I.S.C.O. this evening. If your child would like to attend the DISCO, you can pay a charge on the door, this will be £2 per child or £5 for a family of 3 and will include a bag of crisps and squash. Thank you to Mrs Armitage for organising the event and for all who have been able to support the DISCO. A special thanks to Freddie for being our resident DJ and to Ollie (Florence's Step-Dad) who has supplied some very effective lighting!

Parental Consultation Meetings

The email has now been sent out for you to book up for Parental Consultation Meetings after half term.

Wishing everyone a very Happy and Healthy Half term Holiday!

Janet Muir

Happy Birthday

During the holidays: Edie from Class 4 will be 11 years old

Bethany from Class 3 will be 8 years old

HAPPY BIRTHDAY from all at Foxton!

Chat time:

Tell a friend or family member all about the topic you have been learning about this term.

What is an Invacuation?

Why might we have an Invacuation?
