## Week 4

This week we have been talking about safety, staying safe and what to do in the event of a fire alarm sounding. Our practise for this term has been to evacuate the building from the hall: using the fire door leading from the hall to the recreation ground and walking around, back into the playground through the gate. We had a very successful practice today - well done to all children for walking calmly, sensibly and lining up well, ready for the register. During the next few weeks, we are also going to discuss with the children what an 'Invacuation' is and the procedures we would follow for an invacuation.

The children have all been working hard on their writing during English lessons and today we awarded our 'Writer of the Month' during our Celebration Assembly - congratulations to all the children - your work will be displayed on the board leading into the hall.

## Music Lessons - Mrs Jessica Roberts

Our Music teacher, Mrs Roberts, would like to let parents know that there is the provision for your child to learn a musical instrument at Foxton Primary School. Mrs Roberts has availability from this term for your child to learn woodwind or piano: Flute (year 3 upwards) Clarinet (year 3 upwards) Alto saxophone (year 5 upwards) or Piano (year 2 upwards). The age ranges listed above are only guidelines and therefore Mrs Roberts is in school on Tuesday mornings to meet any prospective pupils. All of the above instruments can be hired from Wood, Wind and Reed or Music Gallery in Cambridge. Individual 20 minute lessons are £11.50. Lessons are invoiced at the start of each term. There are a limited number of spaces available and lessons will be agreed on a first come first served basis. If you would like Mrs Roberts to see your child for a trial lesson or if you have any additional questions, she can be contacted on [beescottage@mac.com](mailto:beescottage@mac.com)
