22nd March 2024

Week 11

This has been another incredibly busy week. The children enjoyed their science dress up day and all completed a workshop extracting DNA from a strawberry! In fact, the children in Class 2 enjoyed it so much they said they wanted to have a go at home with their families.

DNA link!

Two groups from Class 4 took part in the Bee Netball League on Monday - they played exceptionally well and worked really hard in their teams. On Thursday there was another sporting event - Small Schools Tag Rugby at Shelford Rugby Club. Again, the teams represented Foxton Primary School incredibly well.

The lecture, led by Dr Worthers at the Chemistry Lab was amazing, although there were a few loud bangs, the children gained so much knowledge about water and the way it reacts with different chemicals. One particularly good picture that Mrs McDonald took, was of a huge helium balloon being lit....

This morning we welcomed GenR8 back to school as they led our assembly, focusing on the Christian season of Easter, the children listened well and asked some very interesting questions. This afternoon, we are really looking forward to singing at the Over 60s Easter Lunch.

If you find Foxy G - please take a picture of your family with Foxy and send it to the office, so we can make a display of everyone visiting FOX Y G!

Janet Muir

Happy Birthday

This week: Charlie in Class 4 is 11 years old

Gabriel, Elliot and Joshua in Class 3 are 9 years old

HAPPY BIRTHDAY from all at Foxton!

Chat time:

What is DNA?

How can you extract DNA from a strawberry?

Foxton Primary School, 11 Hardman Road, Foxton, Cambridge, CB22 6RN

Easter Service

28/03/2024

Easter Lunch

28/03/24

Last day of term!

15/04/24

Back to school!

Friends of Foxton FOFS

Unfortunately, there was an incredibly low number at the FOFS Meeting last week. As mentioned, Friends of Foxton are in need of a Chair person or they will **not** be able to continue. This will mean events for our children, arranged by FOFS will not be able to take place. If you feel you would like to find out more about this role so that FOFS can continue, please contact your Class Representative, or Mrs Armitage in the school office:

office@foxton.cambs.sch.uk

STANDING TALL PROJECT

The trail has officially gone LIVE! The official trail maps are available from various hubs around the City of Cambridge. We have been informed there is a lot going on during the next few weeks - so check out the website for up to date information and where you can pick up a map! Plus trail details - you can even download an APP! **Cambridge Standing Tall - Break (break-charity.org)**
