

Foxton Primary Newsletter

20th September 2024

Week 3

This week we held our Curriculum Meetings, where parents were able to meet their child's class teacher and learn more about the curriculum for the forthcoming term. We hope you found these meetings helpful and informative; if you were unable to attend, the information shared is available on the school website: <https://www.foxtonprimary.co.uk/page/?title=Classes&pid=50>

Friends of Foxton (FOFS) - 25/09/24

At 6pm on Wednesday 25th September, the first Friends of Foxton (FOFS) meeting for this year is being held. FOFS is a group of parents who volunteer their time to organise and support events to enable fund raising for the school. During the last two years, they have raised funds for the purchase and installation of four new **Interactive Boards** (one in each class) which are invaluable for the children's learning. If you are able to support **FOFS PLEASE** attend the meeting on Wednesday. This year we are hoping to be able to **raise funds** for the purchase of much needed **iPads** for the children to use to support lessons; the iPads the children presently use are old and need replacing. We look forward to welcoming you at **6pm on Wednesday**.

Bikeability Week - 30/09/24

On Monday 30th September, some children in Owl Class will be taking part in Bikeability. Please remember to ensure bikes have been checked and fit for the roads. Don't forget your helmets!

Wraparound Care

For those families who are new to the school, Jamie Seagrave from JS Sports runs wraparound care at Foxton Primary School. On Wednesday 2nd October, he is running a free taster session for the children. If your child would like to attend - please email Jamie directly on the following email and not by the usual booking link. Thank you. info@jssports-education.co.uk

PinPoint Coffee Morning - 02/10/24

On 2nd October at 9am Philippa Waller is returning to Foxton to run our second coffee morning where she will be leading a hands on session about the sensory needs of neurodiverse children. This is part of the PINS project (Partnership for Inclusion of Neurodiversity in Schools). Please see attached leaflet. Everyone is welcome to attend and we look forward to seeing you there.

Music Lessons

It is lovely to hear that a few more children have signed up for music lessons with Jess Roberts. She has just a couple more spaces if your child is interested in learning piano, flute, clarinet or saxophone. If you would like to learn more about the lessons, please contact Jess Roberts via email: beescottage@mac.com
