

## English

### As readers and writers we will ...

- Write a letter to our penfriends about a day in Class 2 at Foxton School.
- Write our own story based on the Oxford Reading Tree story "Castle Adventure."
- Write a short information booklet about castles.
- Extend our knowledge of spelling, punctuation and grammar.
- Practice reading for fluency and meaning.

## Maths

### As mathematicians we will ...

- We will revisit addition, subtraction, multiplication and division. Year 1's will continue to use equipment whilst Year 2's will try to use mental strategies and jottings where appropriate.
- Solve word problems and show our workings.
- Look at pictograms and make our own by carrying out investigations.
- Learn about direction, grids and use the beebots.

## PSHE

We will look at our emotions and how, in necessary, we can control them.

## Science

### As scientists we will ...

- Study the trees in the school playgrounds for signs of Spring and write about what we find.
- Plant seeds and write instructions explaining how to do this.
- Look at the properties of materials to see which can be squeezed, twisted or bent, the uses of absorbent materials, which materials would be good to make a boat and which materials can be recycled.

Foxton Primary School  
Class 2 - Curriculum Map  
Summer Term 2018 – Half Term 1

## Music

### As musicians we will ...

Learn about composer Bach, and pulse and rhythm.

## Geography

### As geographers we will ...

- Learn about the weather in the UK and the weather symbols that are used in weather forecasts. We will then write and present our own weather report for the UK and use the compass points to help describe places.

## Computing

We will continue with our coding, using the laptops.

## RE

We will learn about the Islamic religion.

## Art/D&T

This half term our art will be based on our castles topic. We will design our own shields, illuminated letters and learn about Paul Klee. We will try weaving and bread making in DT.

## PE

Games – ball skills  
Swimming

## History

### As Historians we will ...

- learn about why castles were built, the design of castles, their defences and who lived and worked in castles.
