## Our values and vision

At Foxtton Primary School we nurture a love of learning through natural curiosity, compassion and self-belief. Our approach enables all to become confident, ambitious and independent learners who are considerate and accepting of others. This prepares them to respond to challenges they will encounter throughout life and be able to make a positive contribution to the wider world.

This policy is based on DfE guidance “Preventing and Tackling Bullying” July 2017 and supporting documents. It also considers the DfE statutory guidance “Keeping Children Safe in Education” 2024 and “Sexual violence and sexual harassment between children in schools and colleges” guidance. The setting has also read Childnet’s “Cyberbullying: Understand, Prevent and Respond: Guidance for Schools”.

## Policy objectives

This policy outlines what Foxtton Primary School does to prevent and tackle all forms of bullying behaviour. - Our PSHCE and Computing curricula empower children with an understanding of positive relationships, responsibility and keeping themselves safe by recognising abuse and knowing how to respond to it and report it.
- By developing a culture of responsibility and equality, children feel safe and well cared for by staff and flourish within our school.
