## Week 12

This last couple of weeks have been a busy few weeks. The wonderful performance of Aladdin took place. The children were exceptional and everyone thoroughly enjoyed the performance. All the children sang well, spoke well and performed with commitment and enthusiasm. The Over 60s loved the dress rehearsal and were incredibly complimentary of the children. Please see the latest news section on the website for pictures.

Prior to the performance, the Hedgehog Class visited Shepreth Wildlife Park to support their topic work. They travelled by train and had an enjoyable trip. Sport's Day was a successful morning, which we managed to fit into the morning of Friday, followed by our picnic. It was lovely to see so many family and friends, who were able to join us for the morning. All the children have now taken part in a running race, as was agreed at Sport's Day - where they went over to the school field to race.

We welcomed a number of new children and their families to school on Moving Up morning; it gave children the opportunity to spend time with their new classes and meet their new teachers. We also welcomed Mrs Hockett to Hedgehog Class who is the Hedgehog new class teacher.

On Wednesday, the children took part in an 'Events Day' this was full of a range of different activities for the children to experience.

During the last few weeks, we have also been incredibly busy in the garden! Paul and Carolyn from Wimpole Hall have been supporting all the children with the weeding, watering, creating and now also harvesting! The first two cucumbers have been tasted by Hedgehog Class and staff - they were delicious! Of course, I must round up the newsletter this week by saying how pleased we all are that our new TRIM TRAIL has finally been installed!

Please have a look at our 'Latest News' Section of the school website, where you will see many photos from recent activities.
