## Week 8

As the warm weather has come out this week, so has our sprinkler! The children have had the opportunity to cool off in the afternoons, with much giggling and excitement, as they walk through the fine spray!

Also this week, the children in Hedgehog Class and Badger Class have been creating some wonderful spinners to hang from the trees and an enormous Bug House! Well done children - they all look beautiful. Owl Class have been working hard on their performance - which, this year is Aladdin. On Wednesday, all the children took part in a Cup Stacking Event, where they stacked cups in different ways and quickly unstacked as well!
