

Foxton Primary Newsletter

5th September 2025

Week 1

Welcome back to school and a warm welcome to all the new families who have joined us this week. Welcome also to Mrs Hockett, our new Hedgehog Class teacher and also to Mrs Harding who has also joined the Hedgehog team.

I hope everyone has had a wonderful summer break and looking forward to the new term ahead. It has been lovely to hear the children chattering about their adventures and seeing how hard they are already working and applying themselves to their learning.

Music Lessons

Is your child interested in learning an instrument? We have a very experienced music teacher who comes into school on a Tuesday morning and teaches a range of instruments - piano, flute, clarinet and saxophone. Children who learn an instrument are invited to perform at Celebration Assemblies during the year to celebrate their musical abilities. Children also celebrate their achievements in assembly, if they have completed a grade on their instrument. If you would like to learn more about the lessons, please contact Jess Roberts via email:
