## Week 7

On Monday, 2 groups of children took part in the Small School's Netball tournament. The children enjoyed the matches and represented Foxton Primary very positively in their games - thank you children. Following on from an assembly last week, the children in Years 2, 5 and 6 completed a short workshop led by the NSPCC. Many thanks to Paul and Carolyn from Wimpole Hall, as they supported the children with some gardening this morning.

On Tuesday, next week, the children in Owl Class are taking part in a Wimpole Christmas workshop, which sounds like a lot of fun!

### Foxton Bench Unveiling!

Some families may remember, approximately 3 years ago, the school was involved in a project with Burlington Press. Visitors from Burlington Press came in to school to run a workshop with the children in Year 5 and 6. The workshop involved designing benches and tables for use at the Burlington Press site. There were many excellent designs and the company chose a few to create actual benches and a table. One of the benches was donated to school and we are having an 'Unveiling Ceremony' next week!

### Open Morning - Friday 24th October 2025

If you have, or you know of anyone with a child due to start Reception in September 2026 - please come along to our Reception Open Morning on Friday at 9:30am. You will be able to learn more about the Early Years Curriculum and take a tour of our lovely school.
