Week 4

It was lovely to see, this week, how many children have started to attend the After School Club. I was talking to Kirsty, who mentioned that the numbers are gradually increasing, which means they are able to provide the additional activities as well as the usual After School Club.

On Tuesday, I was so impressed to see the newly formed 'Gardening Club' looking after our Garden Space with such energy and commitment - thank you children.

Friends of Foxton Meeting

Thank you to everyone who was able to attend the Friends of Foxton School (FOFS) meeting on Wednesday, it was lovely to welcome some new faces. During the meeting, there was discussion about the events planned for the year, including the upcoming Halloween DISCO on 23rd October, as well as the 'Dressing Down Day' in exchange for tombola prizes on the 9th October. During the meeting we discussed how the funds raised last year were spent. I am sure that the FOFS will be in touch in the forthcoming days to update everyone. As a school, we are incredibly grateful for the events which provide enrichment activities for all the children at Foxton.

Bikeability - Next week!

If your child is taking part in Bikeability next week, please remember to check their bikes before Monday! The children will not be allowed on the roads, unless their bikes are safe and they have their helmets.

Harvest Assembly - 7th October 2026

On Wednesday 7th October the children are invited to donate some food for our Harvest Assembly. Cans, pasta, rice and packets will all be gratefully received and displayed during the assembly. Reverend David and two representatives from Homestart are joining us for the assembly. In their classes, the children are preparing a little poem or song to share about Harvest. Our visitors from Homestart will explain to the children how their donations of food will be shared, in order to support families within the local community. You are most welcome to join us to celebrate this assembly at 9:30am on the 7th October.

Breakfast Club

Breakfast Club is now up and running, it is being led by Mrs Harding, Mrs Dobson or Mrs Muir. The club runs from 8am until the start of school and we have a range of breakfast choices: Cereals, Toast, Fruit, Pain au Chocolat and Yoghurts. We look forward to welcoming more children.
