Week 10

This week has been busy: Rev David joined us on Monday to talk about Remembrance Day, we then joined in with everyone for the 2-minute silence at 11am on Wednesday 11th November. On Monday, the Owl Class took part in a WOW Day! They all dressed up, some as evacuees, pilots, teachers. They created air raid shelters, looked at food that was accessible during the war and tasted foods made from spam! The all appeared to have a great day!

Healthy School Award

We are really pleased to announce that Foxton Primary School has been awarded the Cambridgeshire and Peterborough Healthy Schools Accreditation.

The impact statement reads: "The Healthy Schools Award recognises schools that demonstrate a strong commitment to promoting health, wellbeing and resilience across all aspects of school life. As a small school, Foxton Primary School places importance on positive relationships, student participation and providing opportunities for children of all ages to support each other. The school has demonstrated how listening to students and staff can lead to practical improvements in the school environment, wellbeing provision and opportunities for healthier lifestyles."
Huge thank you to Mrs Brooks who applied for the award and to the staff and children for enabling us to achieve it – well done to all.

Wimpole Hall Trip – 20th November

On Friday, the Owl and Badger Class have been invited to visit Wimpole Hall to plant trees.

Have a lovely weekend, Janet
